

Dear Parent

Re: Welcome to SchoolCal, our new school communication platform.

We will be now using SchoolCal to share news, information and updates with parents. SchoolCal is a web, mobile and app based platform that will enable us to share school activities with you easily.

Getting set up takes less than a minute:

Instructions

1. Download the SchoolCal App from the App Store
2. Enter your personal code

Received in the post or by email

No app? No problem! You can access your account at app.school-cal.co.uk too!
