

UCAS Student Guide 2015

– What to Study

Choice!

- 315 Universities and Colleges
- 50,000 courses

The provision of higher education in the UK

Where Can I Study?

University, Higher Education College or Further Education College

BA, BSc or B Ed

Single Honours/ Joint Honours

Vocational or non vocational

Why study for a degree?

- ❑ Increased opportunities for personal development
- ❑ Think width as well as depth
- ❑ High quality training in specialist and transferable skills
- ❑ Employers prefer graduates
- ❑ Degrees increasingly needed in the job market
- ❑ Graduate earnings and employment opportunities greater than those of non graduates

Transferable Skills Developed During Typical Degree Course

- ❑ How to find relevant information
- ❑ Independent working and team work
- ❑ First hand research experience
- ❑ Monitoring personal learning
- ❑ Improved communication
- ❑ Development and practice of
 - specialist skills and knowledge
 - general critical and analytical skills

What shall I study?

Prospectuses

□ Prospectuses have two aims:

➤ to inform

➤ to persuade

□ Read them critically

Prospectuses

Points to look for:

- Selecting or recruiting?
- Marketing tactics
- Tone: e.g., clear, open, friendly, informative or distant and dry
- What features the college highlights to sell itself
- QAA inspection report extracts
- OFSTED inspection report extracts
- Student comments

Open Days

- ❑ Decide on your aim for the day
- ❑ Prepare questions based on your aims

UCAS Fairs

- ❑ Decide on your aim for the day
- ❑ Prepare questions based on your aims

Open days

Points to think about

- OFSTED and QAA reports
- Student support
- Assessment methods
- Employability and drop out rates
- Study, sports, social facilities
- Campus and accommodation

Open days

- Friendly and welcoming
- Sense of community
- Attitude to P/T employment
- Attitude to gap year
- Talk to students -Do they back up what staff and prospectus say?

UCAS Fairs

Points to think about:

- Subject option and combinations
- Career ambitions
- Area of country
- Distance from home
- Size of institution
- Accommodation location and costs

Issues which are important to me

- Drop out rates
- Student employment on campus
- Assessment methods
- Teaching style
- Employment rates
- QAA or OFSTED reports
- Being happy here
- Anything else

Choosing a course

- A traditional subject –mathematics, French, history etc.
- A vocational subject –nursing, law, pharmacy, teaching
- A completely new subject
- A combination of subjects

Sources of Information

- ❑ Seek assistance
- ❑ Careers service
- ❑ Where Next Guide
- ❑ UCAS (www.ucas.com) information on every course at every institution
- ❑ Guides
 - Degree course offers
 - Ecctis CD
 - WHICH degree
- ❑ Internet websites

Choosing a course

- Subject and course content
- Type of job
- Entry requirements
- Opportunities in Europe and abroad
- Professional accreditation and recognition
- Career prospects

Which is the right course?

- A very important and personal decision
- Choose a subject or combination of subjects you enjoy
- Have you a career in mind?
- Research the courses you are interested in
- Be realistic when applying
- Start early
- Apply through UCAS

Choosing an Institution

- A big institution or a small one
- Central campus or dispersed
- Moving away or studying near home
- Student views of pastoral support
- Facilities which are attractive to you
- A social scene you will enjoy

Questions which are important to me

- Are all first year students guaranteed accommodation in halls?
- How much will it cost to live away?
- Can I get home easily?
- What student support is available?
- What is the quality rating for the institution?
- What is the reputation of the institution?
- What is the course content

Statistics for entry

Most popular courses:

- Law
- Design studies
- Psychology
- Management studies
- Business Studies
- Computer science
- English
- Pre-clinical medicine
- Social Work
- Sports studies

More Vocational degrees

Need to get job and pay back debt

Statistics for entry

Five most popular universities:

- Nottingham
- Bristol
- Manchester
- Leeds
- Birmingham

Drop Out Rate

- 21.7% of students dropped out of university
In 2012/13 in their first year!

Why students drop out

In some major studies students identify seven main causes:

1. Finance
2. Wrong choice of course
3. Not have researched the course content sufficiently
4. Finding the course work too hard
5. Poor teaching
6. Inadequate support
7. Disliking the location

Make sure its not you!

- Study Skills – Independent Study skills so you can handle the workload
- UCAS – IAG – so you make informed choices
